Spirit Week Stimulates

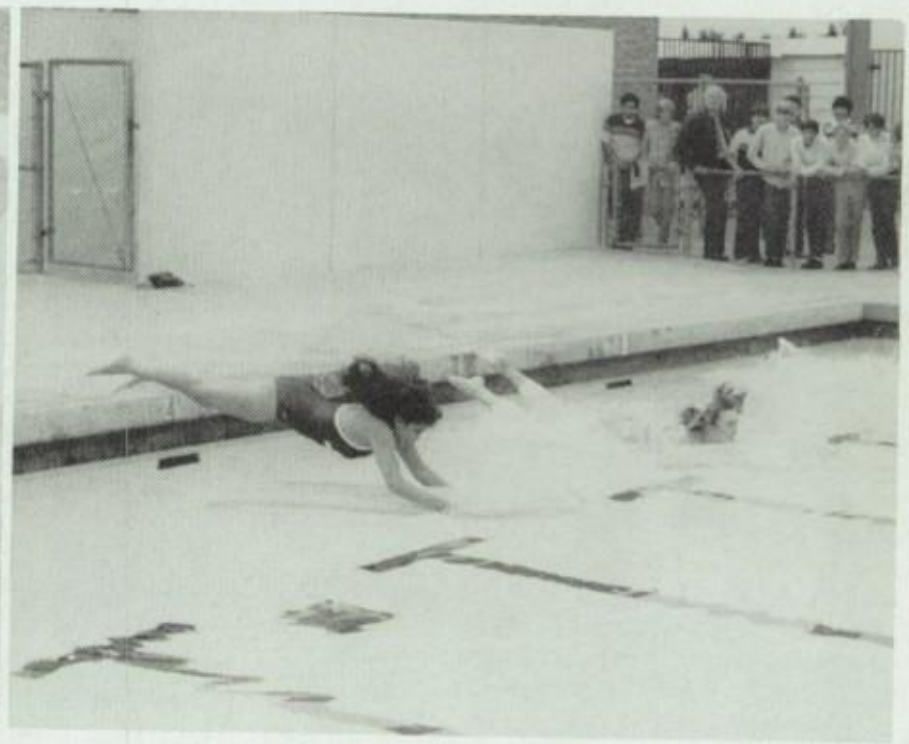
During Spirit Week, each class dressed up on their specially designated day. Monday was freshmen "I Don't Care Day," Tuesday was sophomore "Grandma and Grandpa Day," the junior class dressed to "Plaid and Strip Day," on Wednesday, the seniors hosted "Costume Day" on Thursday, and on Friday the entire student body dressed up to the homecoming theme, "Southern Nights".

In addition to dressing up, there was class competition activities each day during lunch. Monday each class competed in the swimming relay, on Tuesday came the lipstick relay, Wednesday was the licorice (pepperoni) stick kiss, and the ice cream eating contest was held on Thursday. Friday was the Homecoming Assembly, and at this time it was announced that the juniors had broken a tradition of seniors always winning spirit week competition. The juniors came in first place, seniors placed second, sophomores were third and freshmen traditionaly ended in last place.

Los Amigos Haslinger and Stanbridge represent juniors in lipstick relay.

Student Body For Homecoming

Hi ya'll



On your mark get set . . . go!

Kathy Kiernan hopes not to run into any "Stray Cats".

1982 Homecoming Assembly Presents:

Cheer up guys, it's only Santiago!

Ladies and Gentlemen! Los Amigos was proud to present one of the unforgetable events of 1982, the spectacular Homecoming Assembly.

It started out with the Lobo band parading through the gym in their elegant, classy, black uniforms while performing a few lively tunes. The entertainment continued with our very own macho seniors guys appearing in sweaters and skirts to demonstrate their extraordinary techniques as cheerleaders with style. Oh yes, let us not forget those sexy legs in action!

However, the show was not over yet. The highlight of the event was when some of Los Amigos's talented teachers decided to get into the act. They took part in a short, comedy skit called "Slow Times at L.A. High", a take off of a current movie, "Fast Times at Ridgemont High" of 1982.

The crowd was fascinated with excitement and appeared to be full of spirits for the football game that evening against Santiago at Garden Grove Stadium.

Richard Garcia's last minute preparation.

You're up next, Steve.

Slow Times At L.A. High

Do these senior guys look like they're unspirited?

Are they truly our dedicated teachers?

David Gardner's high kick deserve a standing ovation.

Dave Cook, Karen Carlson Crow

Seniors Dave Cook and Karen Carlson were crowned 1982 king and queen for Homecoming's Southern Nights, after returning king and queen, John Ilkcalga and Bridget Ponce relinquished their crowns.

The highlight of the evening came at half-time when an airplane circled the field for a long time and a sky diver dressed in a windbreaker jumpsuit landed on the big white X. He emerged from the jumpsuit wearing a tux with an orange shirt and delivered the envelope to Jerry Hays, Los Amigos basketball announcer.

Junior class prince and princess honors went to Richard Keller and Carrie Gallagher, while Dennis Atencio and Jackie Hoberg represented the sophomores; John Kuzmic and Lisa Hawks were named freshman prince and princess.

Homecoming '82 came to an end after the Lobos victory over Santiago. The Lobos celebrated their victory following the game with a dance in the commons; the dress was semi-formal while the Lobos danced to new wave music.

Fall semester's drama production was directed by drama coach George Taylorson, and made its debut Jan. 21 and 22. The play, David and Lisa, took place at a mental hospital for kids in which a doctor tried to help them resolve their problems. David and Lisa were special because they both had hopes of becoming normal again.

The cast included Tom Murphy, Cathy Jean, Kathy Grey, Don Skvarla, Chris Hansen, Kristine Eicherly, Tony Rodriguez, Kim Miller, Julie Talluto, Darryl Walker and Suzanne Doss.

Donna Craft, Suzanne Pierret, Robin McLeod, Eric Wilson, Mike Glazener, Jim Fox, Tina Akins, Abe Tobrakjian, and Tony Ladesma were also part of the cast. The student director was Karol Cooper and the sets were designed by the entire company. There were also numerous other students behind the scenes helping with various tasks.

Model Co-Ed Fashions

Kathy Gr[illegible] and Tony Blakemore

The 1983 Co-Ed candidates really strutted their stuff at the annual fashion show held in the Little Theater, Jan. 5, during lunch.

King candidates and their sponsors modeled current fashions for the student body so everyone could get an idea of what to wear on the night of the Co-Ed dance, Feb. 5. This noon-time show also provided an opportunity to introduce the king candidates to the student body.

Teacher Dave Auxier, decked out in a white tuxedo, narrated the show as the king candidates wore different colored tuxedoes, provided by Arrow Tux Shop. The girls' dresses were color co-ordinated to the tuxes, and were shorter this year than in the past.

The Students' League of L.A. sponsored the fifteenth annual Co-ed on Feb. 15. This year's theme was "A Night To Remember". The Co-ed was held in the Grand Ballroom of the Anaheim Sheraton from 8p.m. until midnight. The bids, selling for $20, and the decorations were both pink and black, the colors of the evening. Instead of a band, this year's music was provided by a D.J.

There was an abundance of food provided by the hotel, which included a variety of hors d'eouvres, punch and several cakes decorated like the bids.

Andy Tarango swept the awards during the evening's festivities. He was crowned King by returning King Donny Grable. Andy Tarango and Heather Mackey were voted couple of the evening.

Rain Creates Lobo Lake

Feb. 28 brought a lake to Los Amigos. The Lobos awoke to a constant down pour of rain and as the storm continued, so did the puddle in the quad, which quickly became the Lobo Lake. The lake made it difficult to walk from one side of the school to the other without using bridges made of stacked two by fours. Students had to move their cars from the parking lot, for it too became a lake. This made several of the cars look like boats or submarines. Yet, the disturbance at Los Amigos was small; many schools were shut down. It was not only because of damage, but several schools were evacuation stations.

The weather also brought in a tornado that hit Los Angeles. Ten houses had their roofs torn off and several cars were over turned. Many piers were distroyed and others badly damaged. The estimated value in damages was $30 million in Orange County alone.

Last summer construction began on the second phase of the expansion of the outdoor weight lifting facility by the P.E. locker room. The Booster Club provided money, materials and labor for this enlargement, and the Lettermen's Club, through various fundraisers, donated the stereo system which loudly entertained the athletes during their workouts.

Coach Dave Auxier, along with Booster Club members, spent many hours during the summer pouring concrete, constructing the fence, painting the equipment, and installing the stereo system. Speakers were installed in both the indoor and outdoor weight rooms.

The football players were placed on a program to gain strength and body weight. The athletes were striving for improvement and increased speed and power through this program.

Each coach developed his or her program according to needs of each particular sport. First and sixth periods were the busiest for the equipment, although the P.E. classes also utilized the machines.

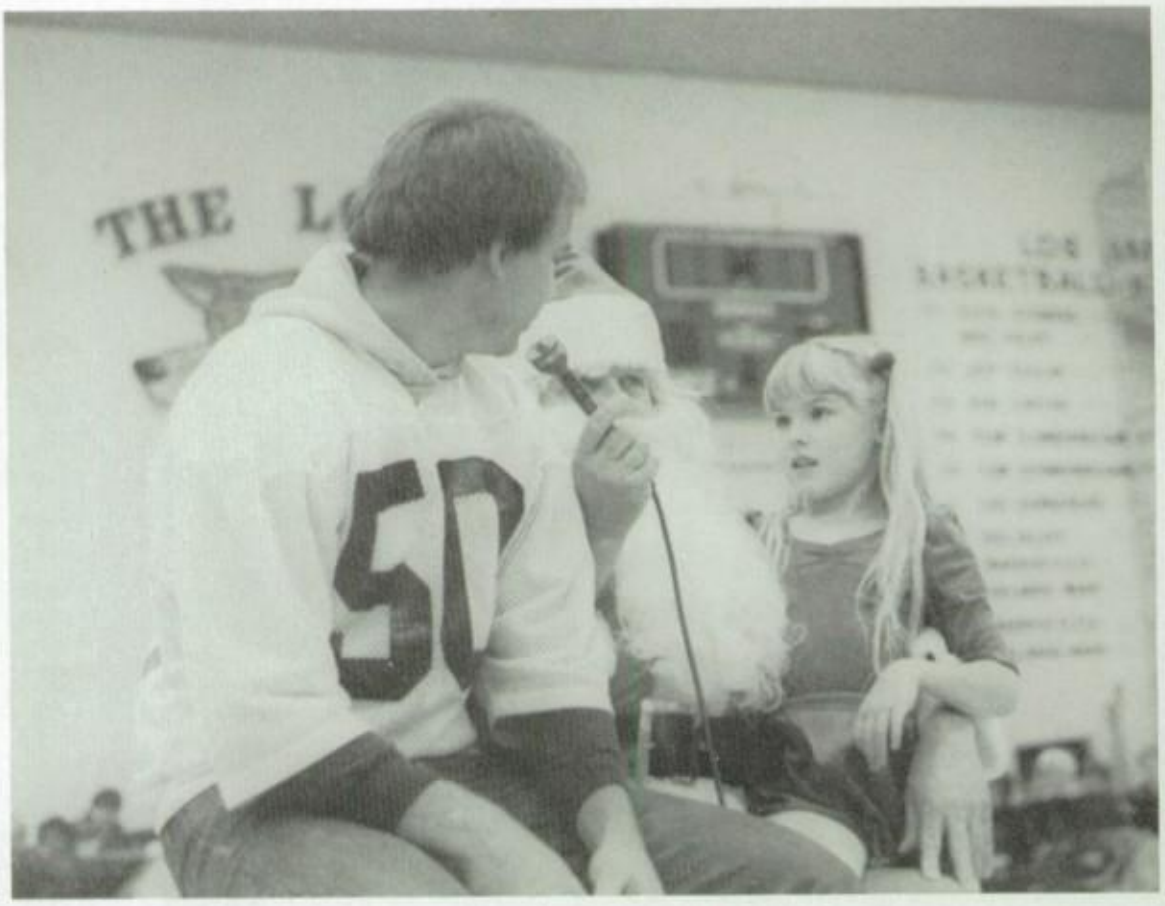
Christmas Spirit Spreads At L.A.

Dec. 17 was the day Santa arrived with a yelling ovation at the Christmas assembly. He entered on the janitor's electric cart driven by Activities Director Bill Brady. Santa was authentically portrayed by drama instructor George Taylorson.

The drill team performed a routine to "Santa Claus is Coming to Town", and the Concert Choir sang their animated traditional song, "Fruitcake." A group of kindergarten students from Northcutt Elementary School were guests at the assembly to talk to Santa. A few ASB cabinet girls dressed as elves, passed out candy canes to the kids and threw out candy to the audience. Each class president placed an ornament on the Christmas tree representing his year.

Near the end of the assembly, everybody joined in to sing Christmas carols. When it came time to leave, the crowd was overjoyed with excitement at the thought of a two week vacation!



Joe Leonard: "I want a rematch with La Habra."

"Santa, can I please have Doug?"

Sue crowned Jr. Miss

This year seven L.A. senior girls competed in the Fountain Valley Junior Miss Pageant. They were Sue Schirmer, Angie Flores, Lynette Stotts, Debbie Goldade, Brenda Bohannan, Collette Schneider, and Melinda Melcher. They were judged in creative and performing arts, academic achievement, poise and appearance, physical fitness, and a judges' interview. Goldade won the award for academic achievement and the most tickets sold, Schneider won the award for poise and appearance, and Melcher won the award for physical fitness. After rehearsing for many hours, the night ended with Melcher taking second runner-up, Goldade taking first runner-up and Sue Schirmer being crowned Fountain Valley's Junior Miss for 1982-83.

Chris Marino And Cherise

On the night of December 10, 1982, Lobos were attending the annual King and Queen of Courts dance.

The candidates were seniors Chris Marino and Krista Lang, juniors Sergio O'Cadiz and Michelle Stevenson, sophomores Sean Erenstoft and Krisi Staub, freshmen John Kuzmic and Cherise Gallagher.

The winners, Chris Marino and Cherise Gallagher, were crowned at the dance in the commons, by the returning King and Queen, Andy Tarango and Ana O'Cadiz.

School Life

'83 Fashions Are Like

"Anything goes" was the best way to sum up the typical Lobo wardrobe this year. Although the "prep-pie look" wasn't totally out, many new fads were making their way in. Many students seemed to let music dictate their wardrobe more than ever. Meanwhile, other students stuck strictly to the books, always referring to fashion magazines as their guides.

The "tuxedo" look was the "toast of the town." The first day of school looked more like a restaurant with most students dressed in wing-tipped collared shirts, bow ties, baggy pants, cumberbunds and patent leather shoes. Lobos were constantly shopping; if it's not South Coast Plaza, it's Thrift World or some other local thrift store. Mods were always visible. Parkas, berets, thin ties, double-breasted jackets, scarves, hats, vests and pointed shoes made the best dressed Mod man.

50's wear became very popular by second semester. Everyone wore shirts with no sleeves, fuller skirts, petticoats, Levi jackets, mom's dresses, stone washed jeans, wing-tipped shoes, hushpuppies, fishnet stockings, pumps with anklets, cuffed 501's and "G'ed" up hair, made the well dressed rock-a-billy.

Lobos had a closet full of shirts with puffy sleeves, I-Zods, Oxford shirts, seamed stockings, varnets with bermuda shorts and mini skirts. Styling was the main thing in mind; argyles, plaids, stripes or polk-a-dots, as long as it was in!!!

The heart and soul of Rock 'n' Roll!

Totally Awesome!

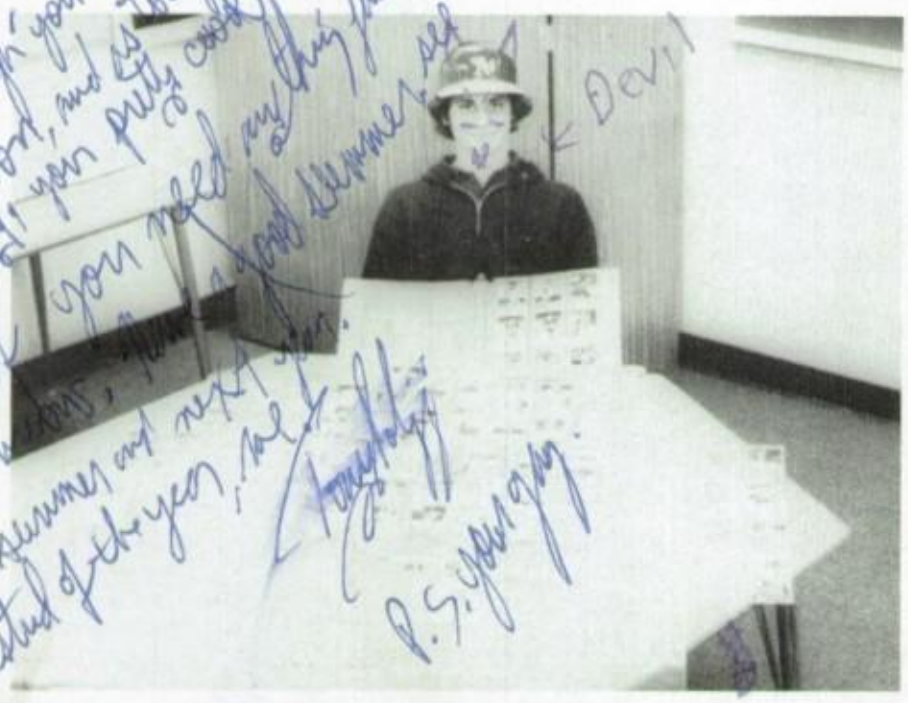
Lobos Pastime With New Hobbies

Senior Rozetta Small shows her own fashion designs: her 1982 prom dress, a sailor outfit, and her gown for an English skit.



Freshmen Tony Polizzi has been collecting baseball cards since 1974. Out of his 75,000 cards, his most valuable is Pete Rose's rookie card appraised at $200. He has been to conventions in Los Angles, San Diego and San Francisco. Tony not only buys, but he also sells cards at these conventions, where he bought his most valuable 1973 set which is now worth $300. Tony says that he really enjoys his hobby because he gets to meet many different people and it's fun to meet the players too!

In September, 1982, junior Miguel Pacheco competed in a bicycling race that started in Rosarito, Mexico, and finished 50 miles later in Ensenada, Mexico. This spring, Mike entered a 75 mile race that began in Tocate, Mexico and ended in Ensenada again.

Mike rode 15 or 20 miles a day in the Irvine Hills on his 23 pound Motobacane bicycle. Once a month he rode to places like San Clemente with a group called "The One Way Cycling Club". Mike enjoys riding because it is something he likes to do!

Lobos Love Boob Tube

Square Pegs

Lobos spent many hours in front of the boob tube. During daytime hours "All My Children" became number one taking over "General Hospital" ratings. Many new daytime television shows included "Just Men", "Sale of the Century", and "Hit Man". Prime time television sizzled with "Bare Essence", "The A Team", and "Square Pegs". "Dallas" fell behind while "Dynasty" took over the ratings. A new music show hit Channel 9, "MV3", which is hosted by KROQ Radio D.J. Richard Blade. A special note should be given for "Mash" which ended its eleventh season in February.

Queen Elizabeth of England on her tour to the United States.

1982-83 was a year bristling with excitement, drama, triumph, and tragedy. In the world of sports, the St. Louis cardinals were the World series champions in the fall, and in spite of the football strike, the Superbowl XVIII was finally played and the Washington Redskins came out victorious. Right after NFL completed their season, a new football league was being formed, the United States Football League, and Heisman Trophy winner Herschel Walker signed a contract with the New Jersey Generals, of the USFL, amid much controversy since he had not completed his senior year of college.

A loveable lost alien named "E.T." found his way home into the hearts of millions while breaking movie box office records at $400 million. At the same time, movies lost three giants — Henry Fonda, Ingrid Bergman, and Grace Kelly.

"It's incredibly average but cheap", was senior Tim Hebert's comment on the Original 39¢ Hamburger Stand, as quoted in the Register newspaper and the Time magazine. Fellow senior Larry Tomoyasu was also quoted in the Register.

Princess Diana and Prince Charles were the proud parents of their 7 pound, 1½ ounce baby boy who was named William Arthur Philip Louis.

Central Park held more than 700,000 people protesting nuclear energy. Another sizeable event was the "US" festival that took place over Labor Day weekend in San Bernardino, supported by the Apple computer company. This was a gathering of rock groups, music lovers, computers and spectators.

Auto magnate John DeLorean spent some time in prison for conspiring to sell 220 pounds of cocaine, while in Italy actress Sophia Loren spent time in jail for income tax evasion.

There was a scare with Tylonel where the medicine was laced with cyanide. A major medical breakthrough was an artificial heart that was implanted n Barney Clark.

To top off the whole year, Time magazine chose a computer for its "man of the year".

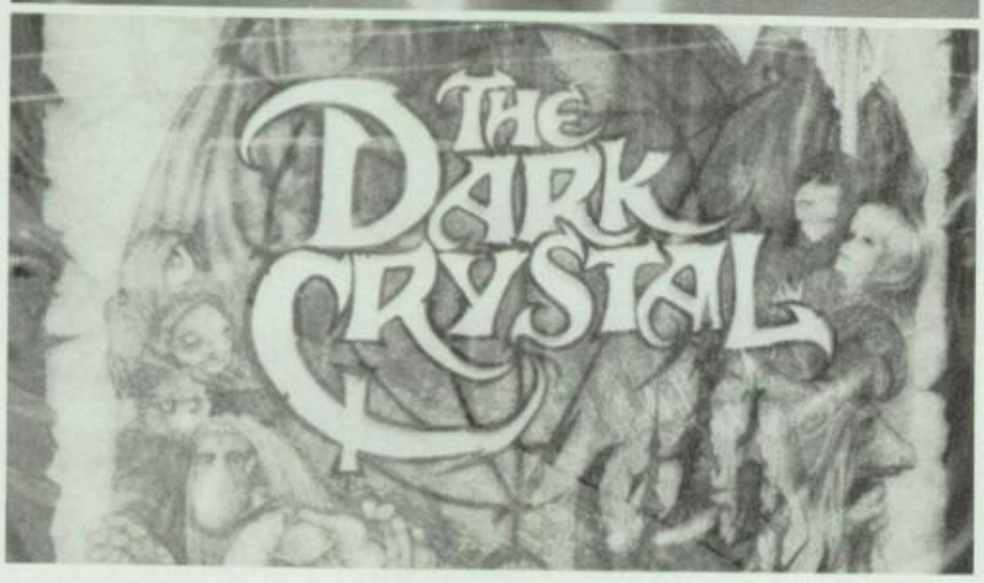
Victor's big old bomb.

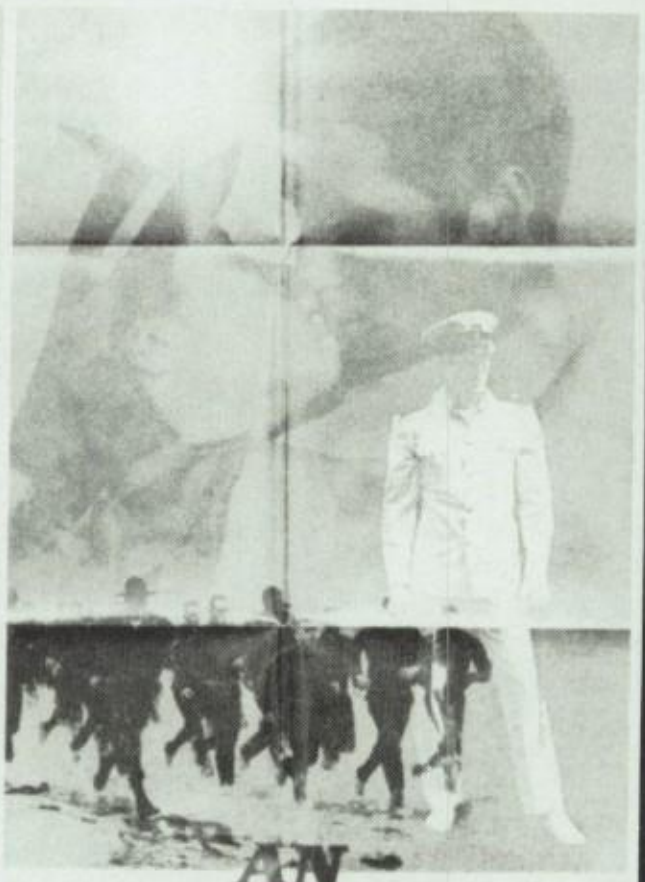
This year, the busiest time in the student parking lot was during lunch and after school. As usual, there were all types of cars being driven by the students. Some of the most popular were Bugs, Toyotas, Hondas, and Mustangs. Many of these cars were bought by the students themselves, but others were given to them by very generous parents. The students who bought the cars themselves, had to work long hard hours to buy them, and still do in order to pay for gas and insurance.

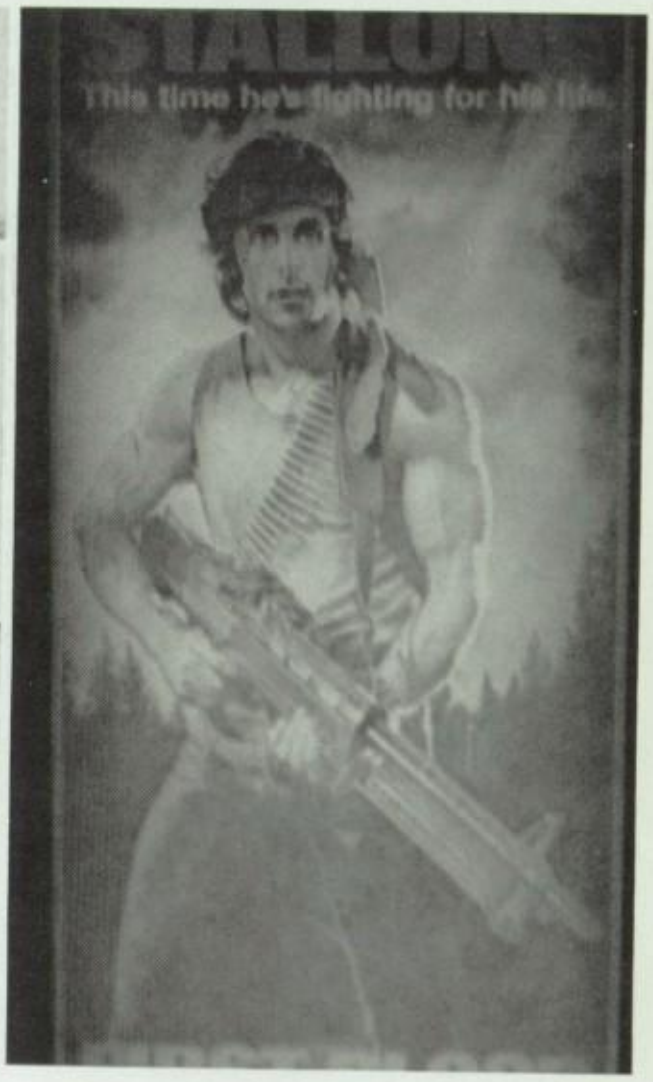
E.T., Biggest Thing To Hit Earth

Like all years, this one had its share of good and bad moments as far as movies were concerned. The big hits were "Fast Times at Ridgemont High", "Best Friends", "Rocky III", "Six Weeks," "First Blood", "48 Hours", and "Poltergeist". Other movies that had captive audiences included "The Verdict" with Paul Newman, "Gandhi", "Tootsie" with Dustin Hoffman playing a woman, "An Officer and a Gentleman" and "E.T.", the extra-terrestrial that made motion picture history at the box office. Disappointments included "The Toy" and "The Dark Crystal".

Even though a ticket cost $5, Lobos had a good time reviewing all the latest features.







R.O.P. Learns While Earning Credits

R.O.P. advisor Mrs. Marianne Munsell

Regional Occupational Program provided high quality for training and career guidance for high school students. There were many and varied classes offered from auto to welding. In connection with many of the classes there was also on-the-job training such as banking, dental and many more. R.O.P. not only provided job training, but also enabled students to earn high school credits while they were learning a skill.

This year approximately 50 students enrolled in work experience.

This was a work -study program that placed a student in a job and enabled the student to gain on-the-job experience, while at the same time earn valueable credits and money.

The types of jobs ranged from cashiering to bank telling, waitressing to working in a health club.

Mr. Jim Silva, the work experience counselor, met early each Tuesday morning with the class at 7 A.M.

New Sounds In Music

This year brought new groups to the spotlight like Yaz, Madness, The Specials, The Stray Cats, Rockin' Rebels, Musical Youth, Prince, ABC, Berlin, Duran Duran, Psychedelic Furs and The Members.

Some old timers like The Who, who stopped touring in 1982, The Rolling Stones, Scorpions, Billy Idol, English Beat, Hall and Oates, Pretenders, Journey, Kool and the Gang, Neil Diamond and Barry Manilow all came out with new hits.

The Twenty-Fifth Annual Grammy Awards were held Feb. 23 at the Shrine Auditorium. Toto was the big winner of the evening, taking home seven out of nine awards, including Best Record for "Rosanna" and Best Album for "Toto IV". Song of the Year was won by Willie Nelson for "Always on My Mind". Melissa Manchester took home a Grammy for Best Pop Female Vocal Artist. Best Pop Male Artist was won by Lionel Richie. Pat Benatar and John Cougar were voted best female and male rock vocal artists. Survivor had the Best Rock Performance by a group or duo with vocals with "Eye of the Tiger".

One of the highlights of the evening was when Eddie Murphy, of Saturday Night Live, ran up on stage and said, "I ain't leaving without a Grammy" and ran off with Lionel Richie's Grammy. Laughingly, Richie asked, "Who was that masked man?".

The Los Amigos Band Booster Club was organized in the summer of 1982, and formal election of officers took place in September. The purpose of the "Band" Booster Club, as stated in its constitution, was "to support the School Marching and Stage Bands, Orchestra, the Las Damas Drill Team, the Flag, Banner and Majorette Squads".

The first goal was to put together a master calendar, with all the important dates, practice schedules and school events, published for every student and his or her family. The Booster Club also organized fund raisers to pay for various parades, an overnight trip to San Diego and the National City Band Review, a future music scholarship fund, new shields and uniform excessories.

Basically getting organized, providing total support to these units and laying a strong foundation to build upon have been the goals of the Band Booster Club this year.

Club Support Lobos

The Athletic Booster club was a very active organization. They raised money for the purchase and maintenance of equipment and facilities. Some of the things they accomplished this year were expanding and fencing the weight facility, renovating the baseball and softball fields, buying an additional display case and league banners, and setting up a four year uniform purchasing plan.

In the spring, they sponsored an art auction, a paper drive, and on May 21, a 5k- 10k run and a pancake breakfast.

The club was ably led by: Debbie Goldade, president; Charles Stewart, vice-president; Steve Young, secretary; Jay Choi, treasurer.

As A.S.B. President, I feel that the past year has been one of the most successful and enjoyable in my experiences in student government. We had a well rounded productive group of students in A.S.B. this year and I feel that we have accomplished much. We tried our best to make the 1982-83 school year one of the best ever, and to get the student body involved to show our Lobo spirit. I am proud and honored to have represented Los Amigos as A.S.B. President the past two years. It has been one of the highlights of my four years at Los Amigos High School.

Sincerely yours,
Tony Blakemore

The purpose of the Computer Club was to get more people interested and involved in computers. This was accomplished by club meetings each Wednesday where the members composed games on the machines, learned business programming, originated calenders, and mastered other uses on the school's four TRS-80's and one Apple II.

During Open House in March, the club demonstrated the different uses of the computers for the campus visitors. Mr. LaMar Williams, advisor, also used the machines to compile grades, run the business department budget, and keep attendance.

This year's Creative Writing Club was advised by Mrs. Gail Lujan. The club's main gail was to promote writing among the student body, because so many high school students think that they can't write. The club sponsored a creative writing contest in March. There were three categories in which the students could enter: essays, short stories and poetry. The contest was judged by Mrs. Lujan and several other teachers in the English Dept. Gift certificates were given as prizes to the winners. At Open House, the club sold popcorn and taco salads in their booth. This year's officers were President Rozetta Small, Vice President Greg Nishiyama, and Treasurer Jacky Haworth.

Gold Key was the new club on campus that gave the all around student recognition. Applications were handed out to all potential students: in order to qualify they had to be juniors or seniors and earn a certain amount of points. The scoring was divided into four main categories: Academic, Activities, Leadership and Citizenship.

This club's purpose was not to raise money but to be an honorary club such as C.S.F. Students of the month were chosen from this club. Members received a certificate in their junior year and a Gold Key in their senior year. This club was organized and advised by Mrs. Jeanette Morin.

The 1983 Reflector staff was very productive with the first semester staff consisting of 35 people, but dwindling to 22 at the start of the second semester.

The editors were seniors Trisha Jenkins and Lynette Stotts. Together with advisors Mrs. Carol Strauss, the co-editors kept the staff on their toes to meet deadlines, choose pictures and write copy, besides doing their own pages too.

The staff did many new things as well as some old things. As they have for the past few years, they attended the annual district pizza party in October at Chuck E. Cheese's, where all seven high school yearbook staffs were guests of Roberts' Studio.

This was the first year the theme of the book was publicized to the student body. Not only did Lobos hear about the theme, the staff wore t-shirts with the theme, "We're Having a Party" printed on them.

The staff also had candy molds made-to-order in the shape of the Lobo, and took turns making chocolate and orange-colored suckers to sell to the student body as a fund-raising project.

Extra! Extra! Read all about it in the Paw Prints! During the year, journalists attended workshops to enhance their skills and sharpen their minds. The journalism class was very small even with Journalism 1-4 in the same class period. The Paw Prints published nine issues which were seen all over campus on Fridays. In the spring the class entered several local contests, and wrote press releases for the local papers on campus events. They also participated in Open House by serving salads.

Many of the class were members of the California Scholastic Press Association and participated in press conferences, the NBC Studio Tour and other events. The seniors also competed for journalism scholarships through the CSPA.

CSF, College Bound

C.S.F. was one of two honor societies on campus this year. C.S.F. stands for the California Scholarship Federation. Members must apply for the previous semester. The requirements were basically that a student must have had academic classes with three A's and one B, at least, in these classes. There was not a G.P.A. requirement, but of course most students carried a B+ average or higher. If a person was a member for four semesters then he or she could become a Gold Sealbearer. This seal was put on the diploma at graduation and looked very nice on college transcripts. Not all C.S.F. members became Gold Sealbearers. If they did not they could still enjoy the honor of belonging the semester they were in the club and could list membership on job and college application.

Spanish Club Aims For Mexico City

The Spanish club was advised by Mr. Chuck Donnelly. The club had regular meetings and several fund raisers, such as a Tootsie Roll and Milk Duds sale to raise money to take a trip to Mexico City in the summer. Ten of the fifteen members atteded Spanish Camp at Camp Whittle in May. For Open House, the club members sponsored a booth where they sold quesadillas.

In preparation for the Orange County Academic Decathlon, students were coached by English teachers Dee Wilhite and Jeanette Morin. The Junior-Senior team competed Nov. 20, and the Freshmen-Sophomore team competed on Feb. 26. Even though it was hard work, it was also very rewarding. It was a good experience and it allowed students to gain confidence in giving speeches, in addition to learning some new things. Furthermore, it gave them a chance to meet students from different schools.

Parlez-vous Francais? Do you speak French? The French club does. This year was the French club's second year on campus. They were not as active as they were last year but still had as much fun. On Dec. 4, they participated in the International Banquet, by singing and dancing. At Open House on March 23, parents and students got a taste of French cuisine when the French club prepared crêpes in their booth for 25¢ each. They also went to a French restaurant for dinner and afterwards saw a French film entitled "The King of Hearts".

Mrs. Emily Lamarre is the leader of the German Club. This club consists of approximately 30 students.

Each Wednesday they meet during lunch to discuss the sales of German chocolates and gummi bears. The money that they raised went toward t-shirts which were ordered by many members.

About 12 of the members of the club went to German Camp Oct. 15-17. This camp was located at Camp Davis near Running Springs.

There are approximately 150 Vietnamese students on campus, and at least 100 were active in the Vietnamese club. The club has been very busy throughout the year, starting off with a Christmas party, which included exchanging gifts and dancing.

The Tet, Vietnamese New Year, was celebrated on Feb. 16, and a giant show was held at Santa Ana Valley High School. It was like a big Vietnamese talent show. Los Amigos had two participants in the show, just as several other high schools from Orange County.

The Vietnamese club also participated in Open House, with a parasol dance, which is used to celebrate spring. They raised money by selling egg rolls and fried shrimp chips during the pot luck dinner.

One of their social events was held in the commons. It was a spring school dance, for Vietnamese, with pop and rock music.

The first song of every Vietnamese dance is to honor the adults present, with a slow song of their time.

Faculty Wins In Sudden Death, 34-32

Come on, walk like this...

On March 7, 1983, in the Los Amigos gym, the faculty members, lead by Dave Auxier and John Keating, took a surprising lead in the first half of the donkey basket ball game. Captain Keating, with only two seconds on the clock, shot a basket from the center of the key. This shot gave the faculty a 14 point lead at half time over the varsity students, who were lead by Andy Tarango and Dave Olson. This made the score 14-28.

In the second half of the game, the faculty and the students exchanged donkeys. Possibly due to the change of courts and donkeys, the varsity team made an unexpected comeback. The students were more in control in the second half than the faculty.

The tough defense of the varsity students made it look like the faculty members were giving the ball away, as many of the faculty passes were intercepted by the varsity students. At the end of the second half, the score was 32 to 32, sending the game into overtime. Coach Mike Anderson shot the last shot that won the game for the faculty. The main reason the donkey basketball game was held was to raise money for sport equipment.

The 1982 girls' cross country team ran long and hard to prepare for this year's season. They had a tremendous season record. The team placed first in the Millikan and Orange Invitationals, second in the Buena Park Invitational, and third in the Orange County Championships.

With wins over tough schools such as Bolsa, Rancho, Santiago, Garden Grove, and La Quinta, Los Amigos ended the season with a record of 5-0 and earned the undisputed title of League Champions for the second year in a row.

Being good enough to be asked to participate in C.I.F. prelims is an honor, but to place in C.I.F. is a privilege allowed only to those individuals who are good enough to participate in these special events. The undefeated team consist of three seniors, seven juniors, and one freshman. These young athletes were determined to do their best.

As seen by their accomplishments, they are a special group of women who deserve respect for highly representing Los Amigos High School.

This year's edition of varsity volleyball was exciting to say the least. Coach Kim Pickering's squad not only captured the Garden Grove League Championship but battled their way to the CIF finals where they succumbed to a strong Marlborough team. The Lobos were paced by all-CIF standouts, senior Trina Trombley and sophomore Lisa Manfree. Sophomore Melissa Gagne and junior Tina LeClaire were named to All-League, and the most outstanding player was junior Heather Mackey.

Creates A Racket In CIF

Going to CIF was a great emotional high for the '82-'83 tennis team. After placing 3rd in league, with a record of 6-4, it was questionable whether the team would even go to CIF. They went and made it all the way to the semi-finals.

The team entered the league finals on a high because of a near win over long time rival La Quinta High School. Every match consisted of 18 games and the score was L.Q. 9 to L.A. 8, when the number three doubles team Jill Moore and Truc Mai played to win, causing a tie; the games were counted and we lost. The loss didn't depress the girls at all because they had come the closest to upsetting La Quinta's undefeated record since 1976.

The team's good playing came from lots of hard work that started in the summer for two hours every Wednesday. The two hour practices started to be an everyday event with the beginning of school.

The potluck banquet was held on January 10th in the faculty dining room. The most valuable was given to Mai Pham, and the most inspirational was given to Cindy Lechner. These awards were voted on by the team. The team consisted of six juniors and two freshmen. Only eight girls lettered because the spot for number three doubles was shifted around and only one player was able to accumulate the ten games needed to receive a letter.

The 1982-83 varsity football team proved to be a dominant force in the Garden Grove League by entering C.I.F. play for the third consecutive year in a row. This year's head coach was Dave Selph. The assistant coaches were Don Webster, Bob Chambers, Jeff Riggins, Dave Auxier, and Bob Cicero. The team spent many long and hard hours at practice everyday and it finally paid off when they beat our rival school, La Quinta, 21 to 0. The Lobos entered the Garden Grove League in a four way tie and then beat Garden Grove and Santiago. The team came out tied for first place with Rancho Alamitos at the end of league play. They had defeated Rancho during the season and therefore were able to enter C.I.F. in first place. The team unfortunately lost in the second round. Coach Selph said that the team was a bit disappointed but they couldn't be too disappointed because it was their best record ever.

"They were the most outstanding and together team I have ever been associated with," stated Coach Auxier. The 1982 J.V. football team had an undefeated season record and were league champs. They were extremely talented, scoring 313 points and allowing only 60 points. "Every team member contributed to the success of the team" commented Coach Auxier. They were also well disciplined, having only five major 15-yard, and six minor 5-yard penalties. This J.V. team was the first football team to go undefeated in the history of Los Amigos High!

The varsity waterpolo team, led by Coaches Mike Schiesel and John Bowman, accomplished another league title. For the past seven consecutive years, the Lobos have dominated the Garden Grove League in waterpolo by earning first place, this year being undefeated.

For the first time in Los Amigos history the team fought their way to compete in the 2A CIF Finals at Belmont Shore in Long Beach. They worked hard in the first round of CIF and defeated Los Altos. In the second round the team proved that they had confidence by defeating La Serna.

In the quarter finals at Santa Ana College, the Lobos kept their momentum with a victory over San Marino. Then the team was faced with La Puente in the semifinals. It was a tough battle but the players displayed their determination by advancing to the finals. It was then the team discovered that hard practices sure paid off after all. In the final CIF game, the team put up a strong fight but lost to Servite with a score of 6-13.

The players were given individual awards at the banquet on Dec. 7th. Most Valuable Player Award was given to John Patten; Captain's Awards went to Dave Cook and Mike Stanbridge; Most Dedicated Player was Tim Deshong; and Most Improved Player was George Perez.

"We're a young team with five returning players," stated Coach Gene Sutherland of the 1983 boys' varsity basketball team. This year's five starting players were Mark Pompeo, Frank Simpson, Scott McMullan, Steve Struckmeyer, and Steve Hutson. Keith Coffman, Cleveland Jones, Robert Loomans, Shawn Shourds, Andy Tarango, and Tim Meagher also contributed to the success of the team. The varsity basketball team had a record of 4-8 in non-league and 6-4 in league. They placed third in league. Coach Sutherland continued to say, "I am very proud of my team and they have done a good job."

For 10 days during the summer, six of the J.V. football players went to the "Devil Pups" program at Camp Pendleton Marine Base.

From July 28 until August 6 Chris Schneider, Tony Garrett, Tom Hyland, Dominick DeFede, and Dennis and David Atencio learned the meaning of the word discipline.

Waking up at 5 a.m., hiking up a mountain and camping out there, jumping off a 35 feet tower into a 15 feet pool and going on five and 10 mile runs were all part of their physical training.

The day after their arrival they all had their hair cut. They had little free time and needed all the sleep they could get.

The purpose of this camp was to help six J.V. players to improve their abilities ... and it worked!

The Last Look

With September came the start of a new year. Activities were held such as the Hello Assembly, the Welcome Back Dance and of course Freshmen Orientation. October had come and the freshmen had adjusted to trash canning, name calling and any other low scheme the seniors could dream up. The main event for October seemed to be the Homecoming game and crowning. In November came a great surprise, for the third consecutive year the varsity football team went to C.I.F. December came about with the traditional Christmas Assembly which included Santa Claus arriving on the electric cart. Along with the new year, January brought in the new semester. Half the school year was completed and now history, but at this time we also started basketball season. Besides Valentine's Day, February was a time for the first formal dance. Yes, after many months of preparation, the Co-Ed finally arrived on Feb. 5. With March came our own versions of Open House and the Sadie Hawkins dance. April tossed in the baseball season, and the relief of spring vacation. In May came the Prom; for some it was the last formal dance, but for others, it was just the beginning. June was a time for celebrating: graduation arrived, school was out and summer was in.

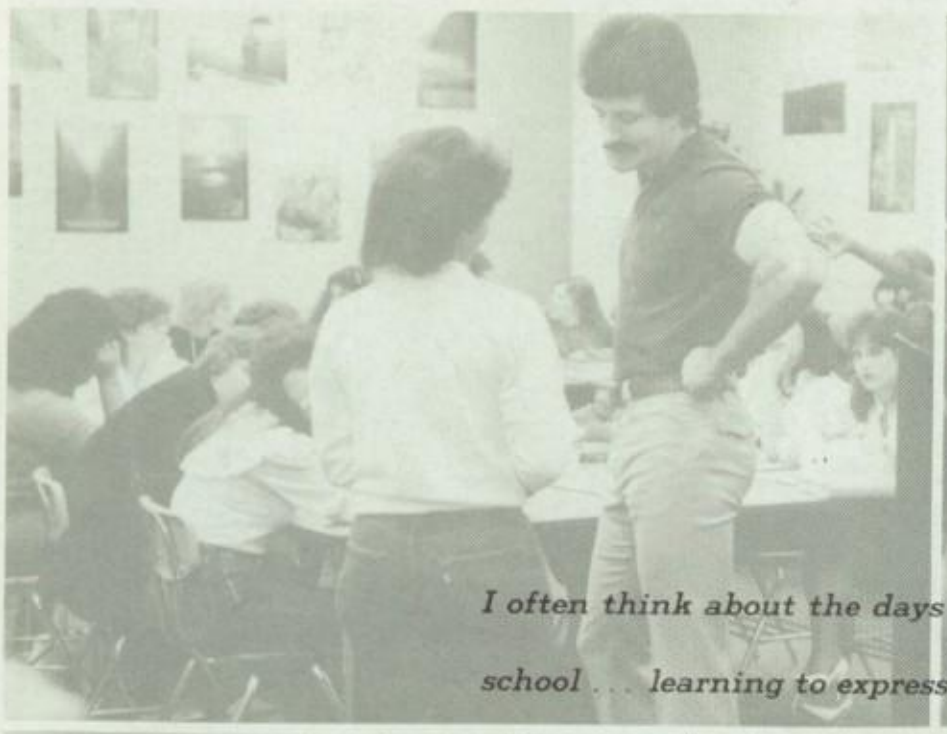
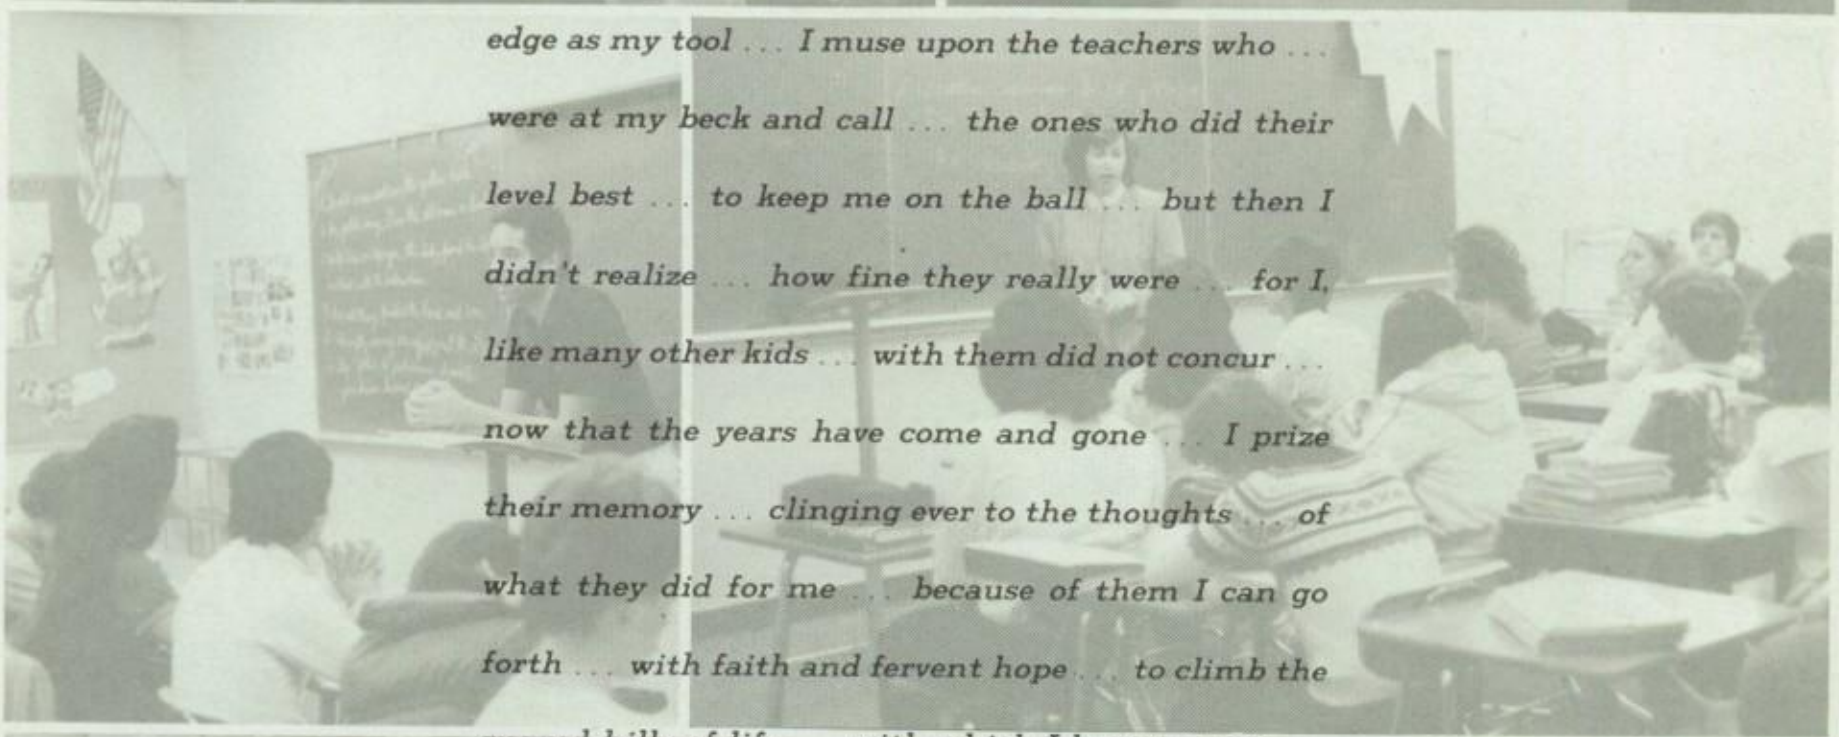
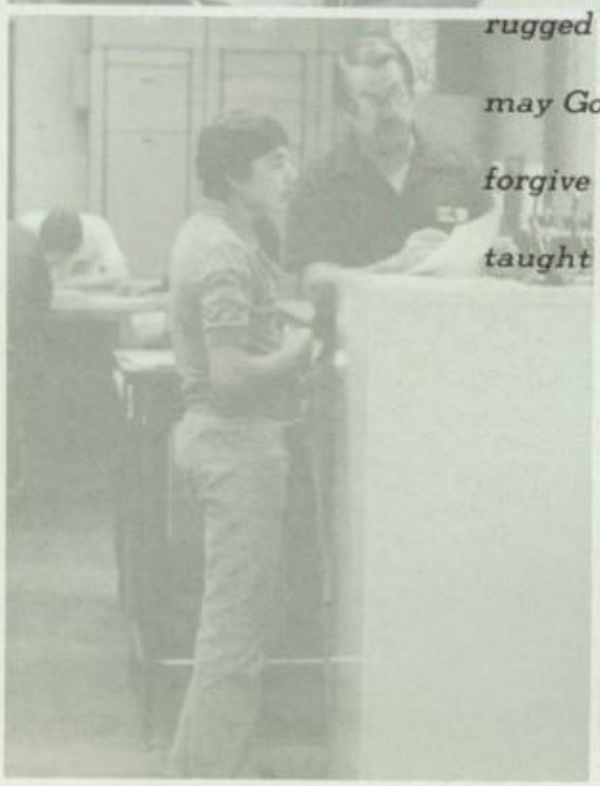
'My Old Teachers'

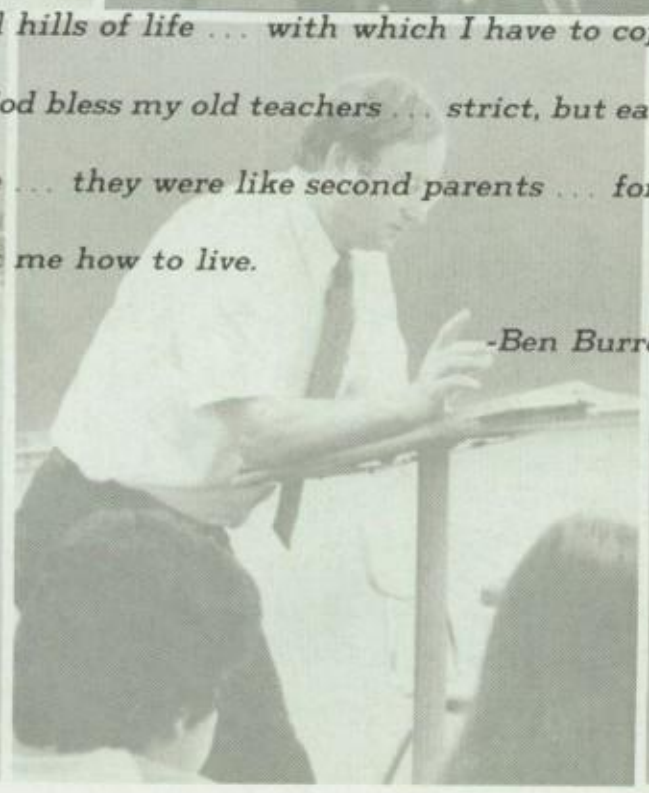


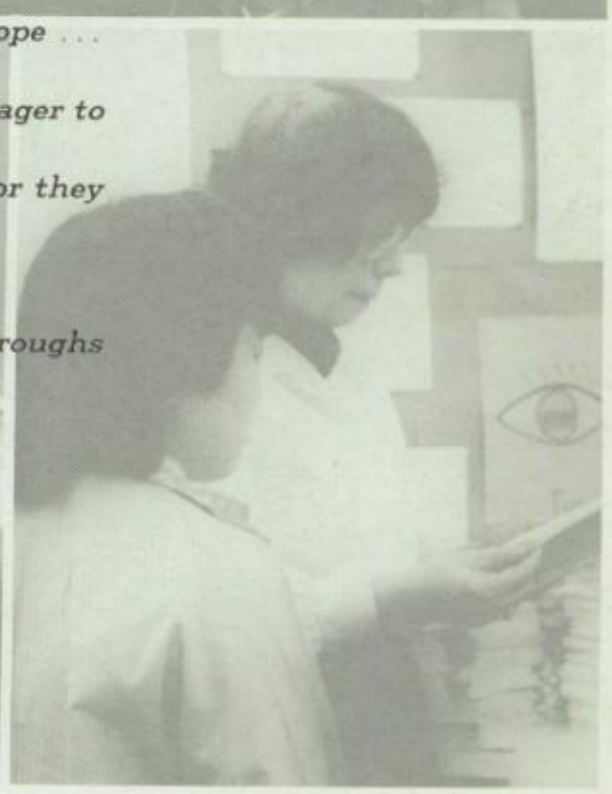
I often think about the days . . . when I was back in school . . . learning to express myself . . . with knowledge as my tool . . . I muse upon the teachers who . . . were at my beck and call . . . the ones who did their level best . . . to keep me on the ball . . . but then I didn't realize . . . how fine they really were . . . for I, like many other kids . . . with them did not concur . . . now that the years have come and gone . . . I prize their memory . . . clinging ever to the thoughts . . . of what they did for me . . . because of them I can go forth . . . with faith and fervent hope . . . to climb the rugged hills of life . . . with which I have to cope . . . may God bless my old teachers . . . strict, but eager to forgive . . . they were like second parents . . . for they taught me how to live.

-Ben Burroughs









After each staff member had lost at least half of his or her sanity by meeting the constant deadlines, in just seven short months we have completed a history book that will never be forgotten. It will not have to be memorized and nor will a test be followed. It was only created to enjoy the memories.

As each deadline was successfully met, the staff members celebrated, knowing there was one less deadline to meet. Much appreciation goes to each staff member and the photographers, and also to members of the photography class for sharing their pictures.

A great thanks goes to Mr. Doug (Hoot) Gibson, our Josten's representative, who gave us guidance that we couldn't have done without. Also thanks goes to Roberts Studios for the pictures they have taken and printed in a requested rush. A very special thanks goes to advisor Ms. Carol Strauss for all her understanding and great support.

Much luck to the class of '83. Life won't always be one big party, but may you always remember our party that we've shared, here at Los Amigos.
